LUMEN BOOKS

Bookstore Management System

Frontend experience & page-by-page React design direction

A modern, colorful retail interface inspired by the clarity of Bookshop.org and the discovery feel of Goodreads.

Prepared from the provided Spring Boot / Spring Cloud API surface

01 · CUSTOMER STOREFRONT

Home / discovery

A warm editorial storefront that turns the catalog into a daily reading habit.

Find your next favorite chapter.

Curated stories, thoughtful recommendations, and books worth keeping.

Explore the catalog

Popular today

02 · CATALOG

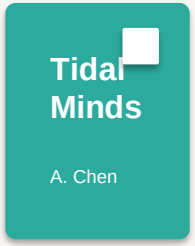

Browse all books

Search, filter, and sort without losing the visual joy of browsing a real bookstore.

Search titles, authors, ISBN…

Filter

Fiction | Business | Sci-Fi | Self-help | Children

Tidal Minds

A. Chen

$18.00

A Kind of Magic

J. Cole

$22.00

The Orchard

M. Ross

$16.50

Small Wonders

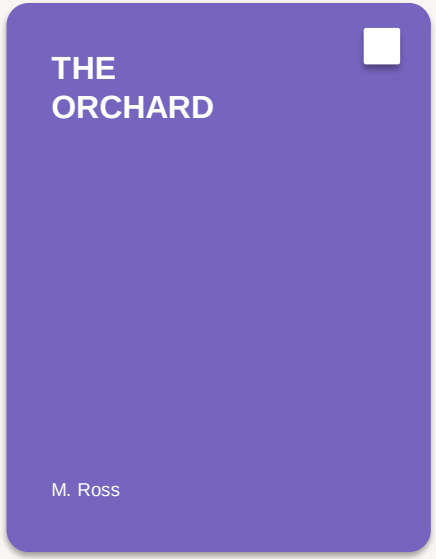

N. Iyer

$14.00

03 · BOOK DETAIL

A focused product story

Make every book feel collectible with a strong cover, social proof, and a clear path to the cart.

The Orchard

Mara Ross · Contemporary fiction

★★★★★ 4.8 (126 reviews)

A tender, atmospheric novel about memory, belonging, and the places we return to.

$16.50

Sales pulse

Needs attention

12 books are out of stock

Review queue has 18 new items

07 · CATALOG MANAGEMENT

Books / CRUD workspace

A spreadsheet-like management page mapped to the catalog-service endpoints.

Search by title, author, ISBN…

+ Add new book

Book	Author	Category	Price	Stock	Action
The Orchard	M. Ross	Fiction	$16.50	42	Edit · ···
Tidal Minds	A. Chen	Business	$18.00	8	Edit · ···
Small Wonders	N. Iyer	Children	$14.00	0	Edit · ···

08 · INVENTORY

Inventory & fulfillment

Surface stock risk before it becomes a customer problem, with quick release/reduce actions.

⚠ 3 books need replenishment this week — View low-stock list →

	A Kind of Magic	4 copies	Low stock	Reduce · Release
	Tidal Minds	8 copies	Watch	Reduce · Release
	The Orchard	42 copies	Healthy	Reduce · Release

09 · TRUST & MODERATION

Reviews workspace

Turn customer feedback into a visible quality signal while keeping moderation respectful and transparent.

Review queue

Priya S. “Quietly beautiful and full of heart.”	The Orchard	★★★★★	Approve	Edit	Hide
Daniel K. “Sharp ideas, easy to recommend.”	Tidal Minds	★★★★☆	Approve	Edit	Hide

10 · ACCESS

Sign in / register

Friendly entry points for customers and staff, with clear role-aware navigation after authentication.

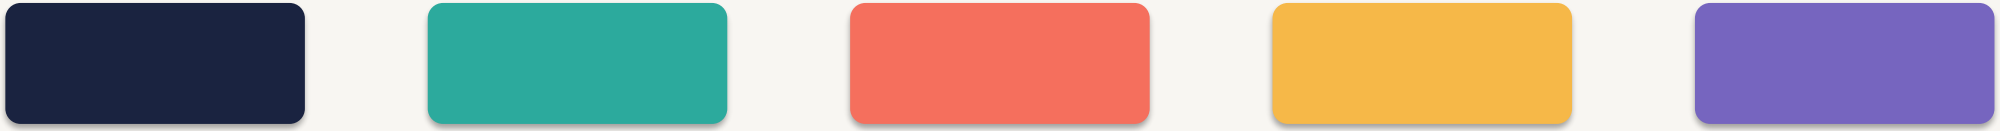

API-to-page map

The provided Swagger controllers translate cleanly into these React routes and data responsibilities.

Catalog service	/books · /books/search · /categories · /authors	Home, Catalog, Book detail, Admin Books
Inventory service	/inventory · /low-stock · /availability	Admin Dashboard, Inventory
Order + cart	/orders · /orders/{id} · /cart	Cart, Checkout, Orders
Review service	/reviews · /reviews/book/{bookId} · /moderate	Book detail, Reviews admin
User service	/register · /login · /auth/validate	Sign in, Register, Account

Visual system & component language

A reusable design foundation keeps the colorful storefront consistent as features grow.

Ink / navigation

Teal / actions

Coral / emphasis

Gold / discovery

Lavender / editorial

Typography

Display headlines: bold editorial serif feel
UI labels: clean geometric sans-serif
Body: generous line-height, readable contrast

Core components

BookCard · SearchBar · StatusBadge
OrderCard · DataTable · ReviewRow
Toast feedback · EmptyState · Modal

Next step

Bring the stories to life.

Build the React shell around these routes, then wire each view to the Spring Boot APIs with loading, empty, error, and success states.

Start with Home + Catalog
